### **RI3K Receives 3 ACORD Awards**

Tuesday 20<sup>th</sup> May 2008

RI3K, the London-based trading platform for reinsurance and commercial risks that is changing the face of the Lloyd's market, has seen its breakthrough efforts rewarded.

Following last year's unprecedented six ACORD Awards, RI3K recently picked up three additional trophies.

RI3K won the following three awards at the 2008 ACORD Awards ceremony in Las Vegas, Nevada for:

- International Implementation
- Shared Service and/or Infrastructure Platform, Middleware Award
- Early Adopter Award

Chief Executive Alex Letts commented: "This continued recognition of RI3K's achievements in standardisation of trading is now reflected by the fact that nearly 200 companies are now trading in a way that was unimaginable three years ago."
