

## **RI3K keeps pricing pledge in a single move**

25/06/2006

Due to what it calls a dramatically changed landscape, RI3K has announced a 90% price cut for underwriters using its electronic marketplace.

For all risks bound on the RI3K Marketplace after 1st August 2006, underwriters will be charged only UKP50 per line-the previous charge was UKP500. There will also be a small r

record of the placement process and a single copy the contract woe is a e is a single
